

ELIXIR

EXFOLIATING SCALP TREATMENT.

BD BALANCE
DIMENSION

PRESENTATION
125 ml.

Exfoliating treatment that promotes blood circulation. Cleans the scalp by eliminating dead cells, oil build-up and dirt. Helps remove the main hair growth blockers. It's a treatment designed to control the effects of excess dihydrotestosterone (DHT).

- Opens the follicles immediately.
- Increases cell renovation.
- Progressively increases collagen production.
- Provides shine to hair.

Directions

- 1 | Apply on dry hair with vertical and horizontal lines in the vertex and crown; outline the contour.
- 2 | Massage the scalp lightly during 3 min. and leave the product on for 15 min.
- 3 | Rinse with plenty of warm water and then use ARIUM's 3 step system according to the client's type of hair. (SHAMPOO, MOISTURIZER and POTION).

Use ARIUM treatments and products as required.
We recommend using this product once every 30 days for optimum results.

CAUTION: Avoid contact with eyes; if this occurs, rinse immediately with plenty of water. Keep out of the reach of children. In case of adverse reactions, discontinue use, if these persist; consult your doctor.
