L'SPIRALE PERM 0 is designed for resistant hair that hasn't been chemically processed. It allows defined curl formation and duration depending on the tool or curler. We recommend using RICCIOLI RITUAL SYSTEM at home for better results.

Directions:

- 1 | Apply only on natural and resistant hair.
- 2 | Wash hair with beforehand with SHAMPOO PROFONDO, leaving it slightly humid.
- 3 | Roll the curlers, impregnate the hair with the lotion and distribute it evenly.
- 4 | Leave in for 25 minutes at the most.
- 5 | Carry out a shape test every 5 minutes.
- 6 | Rinse with hot water and eliminate the water excess.
- 7 | Do not remove the curlers and continue with NEUTRA L'SPIRALE neutralizing lotion.
