PRESENTATION
125 ml.

Its exclusive formula contains natural oils which restore the moisture levels in hair, **providing greater moisture and softness**. Helps protect colored hair. Its light, silky texture is easily absorbed. Contains TRICEL-R complex that protects hair against UV rays.

Directions

- 1 | Apply a small amount on clean, humid hair.
- 2 | Distribute evenly from mid-lengths to the tips.
- 3 | Style as desired.

Do not apply before using heat styling tools.

CAUTION: Avoid contact with eyes. Keep out of the reach of children. In case of adverse reactions, discontinue use; if these reactions persist, consult your doctor.
