

# DESIGNER COLOR INFINITE

CREAM HAIR COLOR

DESIGNERCOLOR | INFINITE 

 **PRESENTATION**  
90 ml.

## The most advanced professional cream hair color.

Its technology provides direct gray hair coverage. Its exclusive formula guarantees an excellent performance with more intense, deep and longer-lasting results.

- Direct gray hair coverage.
- Facilitates the colorist's work.
- Radiant color with maximum reflection.
- Respects the hair structure.

**CAUTION:** This product must be applied by professionals exclusively. Do not apply on the beard or moustache. Applying this product on the eyebrows or eyelashes may lead to blindness. Avoid contact with eyes. Keep out of the reach of children. In case of adverse reactions, discontinue use; if these reactions persist, consult your doctor.

**SENSITIVITY TEST:** It is not common, but some people may present an allergic reaction to cream hair colors. Clean a small patch of skin behind the ear and apply a small portion of **DESIGNER COLOR INFINITE**. Reapply 2-3 times, leave it to dry for 48 hours without washing off. If adverse reactions, rash or redness occur, do not apply **DESIGNER COLOR INFINITE**.
