

# METAMORFOSI LEAVE-IN CREAM

 DESIGN  
DIMENSION

TEMPORARY HAIR STRAIGHTENING  
CREAM. LEAVE-IN

Cream designed to work with heat styling tools. Leaves hair feeling silky and with shiny. **Provides thermal protection and protects the hair from humidity**, keeping it straight for longer. Helps control volume and frizz.

## Directions

- 1 | Distribute the necessary amount over clean, slightly humid hair.
- 2 | Style with a blow dryer and brush.
- 3 | Seal with a straightening iron.

*For better results, work in small sections.*

**CAUTION:** Avoid contact with eyes. Keep out of the reach of children. In case of adverse reactions, discontinue use; if these reactions persist, consult your doctor.
